GUSTY

The first thought was to take inspiration from the last mid century and all of the great chairs that were made back then, and design a modern version. To that we wanted to have a chair that was a fully knock-down chair.

We think we captured all of these ideas and made a great chair! Not only will all of it's functions and lovely design, but even with all of the fine details. We think we brought the indoors outdoors even a little step more.
