# SINARP TABLE

The Sinarp chair have a modern industrial look, but at the same time it flirts a lot with a retro feeling from last century. To complement the chair, you need a strong table to match both the look and the quality. The Sinarp table is produced completely from steel and is design and made, deep in the heart of Sweden.

The colour choices give you a range of easy black and white and of course, to pick up the industrial feeling, also in galvanized steel.
